ALLEGED VIOLATIONS

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation No.</u>	<u>Nature of Noncompliance</u>
----------------------	--------------------------------

- | | |
|----|---|
| 1. | <u>Shall participate in a program of drug testing and substance abuse treatment which may include a 30-day inpatient treatment program followed by up to 90 days in a community correction center at the direction of the probation officer:</u> |
|----|---|

Mr. Wilson failed to report and provide a urine sample for random drug screening on June 18, 2012, and June 25, 2012.

The defendant missed substance abuse treatment on June 6, 2012.

- | | |
|----|--|
| 2. | <u>The defendant shall refrain from any unlawful use of a controlled substance:</u> |
|----|--|

Mr. Wilson submitted a urine sample on June 19, 2012, which was confirmed positive for cocaine. He denied use prior to the urine screen on this date. On June 29, 2012, Mr. Wilson admitted to using cocaine approximately six days prior.

Compliance with Supervision Conditions and Prior Interventions:

On April 6, 2012, a report was submitted to the Court reporting that Mr. Wilson had submitted two positive urine screens for cocaine and had failed to provide urine screens on four occasions. On June 7, 2012, a report was submitted to the Court reporting that Mr. Wilson failed to provide urine screens on four occasions and missed substance abuse treatment twice. Mr. Wilson has been referred for more intensive treatment through the Intensive Outpatient Program at Centerstone. Mr. Wilson has been verbally admonished for his noncompliance and advised that further violations may result in sanctions by the Court.

Mr. Wilson lost his employment in June due to being a slow dish washer.

U.S. Probation Officer Recommendation:

The probation office is requesting that no action be taken by the Court at this time to allow Mr. Wilson to receive more intensive drug treatment.

The U. S. Attorney's Office has been notified and concurs with the above recommendation.
